Dear Mr. Hashim:

On behalf of my coorganizers, Dr. Zimmerman and Dr. Granger, we would like to express our sincere appreciation of your support for the Oxidant Stress: From Molecules to Man Keystone Symposia, to be held January 8-14, 1996 in Santa Fe, NM. Mr Hank Harrowood of the Keystone Symposia Group is responsible for the administration of the funds, and he will honor your request that the funds not be used to reinburse expenses incurred by participants from the industrial sector.

Thank you for your help in making this a successful meeting.

Sincerely,

Mary E. Gerritsen, Ph.D.
